

NAHUATL HUICHOL DICTIONARY

furoya

INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

furoya has contributed to the dictionary with 6 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

amp.wordmeaning.org

milli

Seed, terroir, field, inheritance.

popoca

It's "smoking, smoking." It is used as a component in oronyms, especially – and for obvious reasons – to name volcanoes, although

quahtepuztli

It is a name for a layer of mud that was put on the hair by the native Mexicans to eliminate lice. I don't know if I can help with the etymology: although qua or cua is understood as "head", tepuztli would be "metal" and unless there is some association with the "helmet" it doesn't make much sense.

quiahuia

It is an old-fashioned spelling for quiyahuia ("rain, drizzle, rain").

quiyahuia

In Spanish it translates as "to rain".

zóquitl

Zoquitl, zoquitl or çoquitl in Nahuatl means "mud, mud, wet earth".
