

SPANISH DICTIONARY

GARCÍA ALBERTO

## INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

GARCÍA ALBERTO has contributed to the dictionary with 14472 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group  
amp.wordmeaning.org

donosos = ( it is said - of the ) who have or poseendonaire and grace.

**doñegales**

belonging to a variety or species very red inside - dehigo

**dopa**

It is an amino acid derived from tyrosine and precursor of melanin, widely used in the treatment of the syndrome of Parkinson's.

**dora-**

Dora- is the asteroid discovered by astronomerA. Kopffel on July 27, 1908-

**dorado**

gold-refers to the expression : acantoptergio marine fish, perciform, distributed in the oceans of the whole world, with a laterally compressed body, almost straight loin, green with orange spots, and by the belly, silver and its flesh is edible-

**dorafobia**

doraphobia- refers to the aversion, hatred or fear of touching the skin of animals-

**dorafobias**

dorafobias-belonging to aversion, hatred or fear touching the skin of animals-

## **doris**

Doris-asteroid discovered by H. M. S. Goldschmidt 19 September 1857-

## **dormidera**

annual papaveraceous roost-plant, medicinal, white or pale pink flowers, bright steely leaves, fruit in capsules from where opium, morphine and other alkaloids are extracted-

## **dormidera adormidera**

roost poppy-annual papaveraceous plant, medicinal, with white or pale pink flowers, shiny steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dormidera o adormidera**

roost or opium poppy-annual papaveraceous plant, medicinal, with white or pale pink flowers, shiny steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dormidera, adormidera**

roost , opium poppy - annual papaveraceous plant, medicinal , with white or pale pink flowers, shiny steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dormidera-adormidera**

roost-opium poppy-annual papaveraceous plant, medicinal, with white or pale pink flowers, shiny steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dormideras**

dormant-belonging to an annual papaveraceous plant, medicinal, of white or pale pink flowers, bright steely leaves, fruit in capsules from where opium, morphine and other alkaloids are extracted-

## **dormideras adormideras**

poppies opium poppies-belonging to an annual papaveraceous plant, medicinal, with white or pale pink flowers, shiny steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dormideras o adormideras**

roosts or opium poppies-belonging to an annual papaveraceous plant, medicinal, with white or pale pink flowers, glossy steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dormideras, adormideras**

roosts , opium poppies - belonging to an annual papaveraceous plant , medicinal , with white or pale pink flowers , bright steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dormideras-adormideras**

roost-opium poppies-belonging to an annual papaveraceous plant, medicinal, with white or pale pink flowers, glossy steely leaves, fruit in capsules from which opium, morphine and other alkaloids are extracted-

## **dorsal**

name given to the highest part of the mountain range. -

### **dorsales**

relating or belonging to back

### **dorsales**

relating or pertaining to the back

### **dosel**

Canopy: Cup top cover of the forest, trees.

### **dots**

skills -. It is said of the quality or quantity or condition of things -

### **douglas**

. belonging to one variety or species of tree, Strawberry -

### **dóricos**

relating or belonging to one of the ancient orders of architecture

### **dóricos**

relating or belonging to Ionia, ancient region of Asia minor which belonged to Greece.

### **draco**

relative or belonging to dragon

### **dragón**

fabulous animal / monster a snake with wings - great ferocity - and feet

He is called as well the Visual representation of a figure on horseback. -

**ecuestres**

relating or pertaining to alcaballo

**ecuestres**

relating or pertaining to horseback riding

**ecuestres**

relating or pertaining to alcaballero or order and cavalry army. -

**ecuóreos**

relating or pertaining to almar, poetically

**edáficos**

relating or belonging to suelo, especially to plants-

**edburga**

Edburga- is the asteroid discovered by astronomer M. F . Wolf on January 7, 1896-

**edda-**

Edda- is the asteroid discovered by astronomer J. H . Metcalfel on September 20, 1908-

**edecanes**

in the military, field assistants.

**edilicio**

building, relative or perten. to/el-la /-the: municipal activities-works

**edilicios**

relating or belonging to lasobras or municipal activities

**edisona**

Edisona- this is the asteroid discovered by astronomer F. H . Kaiser on February 23, 1913-

**edna-**

Edna- is the asteroid discovered by astronomer E . F . Coddington on October 2, 1899-

**educados**

educated = says who have or poseenbuena education or civility.

**edwin-**

Edwin- is an asteroid discovered by astronomer G. To. van Biesbroeck on December 1, 1924-

## **efedrina**

Ephedrine-it is an alkaloid originally extracted from *Ephedra vulgaris*, from the belcho or sea grape, widely used in traditional Chinese medicine; is a stimulant of the sympathetic nervous system, it is used as a nasal decongestant, bronchodilator, etc. -

## **efedrinas**

. belonging to the alkaloid or drug obtained from *Ephedra* or sea grape, member of the *Ephedraceae* family that has no leaves -

## **efedro**

is a tablet that replaces the defeated-

## **efémeros**

belonging to a variety or delirium, smelly kind-

## **eflorescente, pruinoso**

efflorescent, pruinose-it is said of a type of vegetable indument layer that gives a glaucous appearance (light green to white) and is easily separated by rubbing the surface-

## **eflorescente-pruinoso**

efflorescent-pruinose says of a type of plant indument, a layer that gives a glaucous appearance (light green to white) and is easily separated by rubbing the surface-

## **eflorescentes**

efflorescent- belonging to a type of vegetable clothing, waxy layer that gives a glaucous appearance (light green to white) and is easily separated by rubbing the surface-

## **eflorescentes o pruinosos**

efflorescent or pruinose-belonging to a type of waxy plant indument that gives a glaucous appearance (light green to white) and is easily separated by rubbing the surface-

## **eflorescentes pruinosos**

pruinose efflorescents- belonging to a type of vegetable clothing, species of waxy layer that gives a glaucous appearance (light green to white) and is easily separated by rubbing the surface-

## **eflorescentes, pruinosos**

efflorescent, pruinose- belonging to a type of vegetable clothing, waxy layer that gives a glaucous appearance (light green to white) and is easily separated by rubbing the surface-

## **eflorescentes-pruinosos**

efflorescent-pruinose- belonging to a type of vegetable indument, waxy layer that gives a glaucous appearance (light green to white) and is easily separated by rubbing the surface-

## **egeria**

Egeria-asteroid discovered by A. Gasparis on 2 of November 1850-

**egisto**

It is the murderer of Agamemnon, King of Mycenae-

**egíale**

Egiale-refers to lacuarta daughter of Adrastus who was married to Diomedes, King of Argos, deception which with different heroes -

**eisoptofobias**

eisoptofobias - belonging to aversion, hatred or fear, which certain individuals present to see themselves reflected in a mirror-

**ejidos**

ejidoses a term used in bullfighting - refers to all residents of a village common fields, which intended to gather their cattle.

### **ekard-**

Ekard- is the asteroid discovered by astronomer J. H . Metcalf on November 7, 1909-

### **el alma**

El Alma- is the asteroid discovered by astronomerG. Bigourdanel on March 24, 1894-

### **el altar**

The Altar-it is a constellation located in the cosmic areaCircumpolar Sur-

### **el arquero**

The Archer-it is a constellation located in the cosmic areaZodiacal-

### **el arquero o sagitario**

The Archer or Sagittarius-refers to a constellation located in the zodiacal cosmic zone-

### **el arquero sagitario**

The Archer Sagittarius-constellation located in the cosmic zoneZodiacal-

### **el arquero, sagitario**

The Archer, Sagittarius-refers to a constellation located in the zodiacal cosmic zone-

### **el arquero-sagitario**

The Archer-Sagittariusconstelation located in the cosmic zoneZodiacal-

### **el ave del paraíso**

The Bird of Paradise-it is a constellation located in the cosmic areaCircumpolar Sur-
