

SPANISH DICTIONARY

Carlos Zapata

INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Carlos Zapata has contributed to the dictionary with 6 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

antología de textos de julio enrique blanco

An anthology is a collection of texts or images of an author or of a town captured by a musician or a painter. See below: Minerva: the only strictly philosophical content in romance that is Castilian. . . . American Spanish: In short, that Borgese also came to seem anarchic and chaotic, diffusely Mystic philosophy of Bergson. . . . Goethe in the Atlantic: Orion already rises above the horizon. And under it, the mythology, was the largest Can. The Hunter followed by the mastiff. It looked majestic angle Betelegeuse, Procion and Syrian.

dilema de desviación coneptual

The dilemma of conceptual deviation is a choice between two or more concepts that apply to a research itself.

eterno retorno

Some cultures, not only the German, have appeared the cyclic time (see example) Carl Young recounts in responses to Jon, on the divine child and the Apo-Kalypsis, the unavoidable need for a synthesis as rebuttal to the idea of the eternal return of Jesus Christ. Leonardo Favio us sings its melody: El Nazareno, who to go to College first must go to the pre-school.

locura

Madness is an expression commonly used as vicious to falsely argue that it is healthy. . . .

pereza

The most common caracteristica that human beings have I would say F. Nietzsche. Some doctors as Nathaniel Essex tried in the nineteenth century, demonstrate the evolutionary changes that are evident in a generation, this was criticized by Charles Darwin as offensive, and cheap tricks then another doctor which responds to the name: James Xavier, detuvo the ciniestros experiments of Essex, this however fled and thanks to the hard work of Xavier has been pursued in the academic cloisters. This is the importance of education in the world of laziness. . . .

sindicato

I presume that Union is an activity similar to the philosophizing, this last deserves attention due to the current situation that some countries are discussed in its legal implementation. I've seen enough reasons that the current situation lies in the role that knowledge brings to universal culture! What are you working on? It is the most common question of the Human being. What is illustration? the age of majority that many congeners do not assume. This is the subject of any State. social law.
