INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Anonimo has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

And then a psycho is a psychotic person who acts in a strange or dangerous manner. Then the definition of psychosis is a mental state described as a loss of touch with reality. People with this disorder are called psychotic. People experiencing psychosis may have hallucinations or delusions and may exhibit changes in their personality and disorganized thinking. These symptoms may be accompanied by an unusual or strange behavior, as well as by difficulty interacting socially and inability to carry out activities of daily living.
