INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Nieves has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

acuáticos

water: in Cuba, Pinar del Río, Viñales, there is a so called community to have, among their myths, healing with water as a basic principle. Antonica was the person who popularized this belief, although this is the best known, in the Sierra del Rosario, Pinar del Rio, there's also another community such but more closed to outside influences. Water: a person who lives in these communities.
