INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Eva has contributed to the dictionary with 2 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

ceneque

In the village of my mother, from the north of the province of Teruel, they use it to refer to someone who has been very tainted.

levadante

Levadante is a word of the Galician language. It comes from yeast. The Spanish equivalent is leudante, an agent that added, for example, to flour, water and salt, would cause this fermented dough to acquire volume, texture and give rise to bread.
