## **jea**

My grandmother used that word in the following context: Ja! Maria I work this morning some victuals, making the jea not be brava with me. JEA in this context always appeared it as a synonym for claim. I'm not sure what if the word is written with j or g. This word was used in the 1940s and 50 in the area of Bolívar, by the towns of San Jacinto and San Juan Nepomuceno. I don't know if in other peoples of the region.
