INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Darwin Carrizo has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

goleros

In Venezuela the Golero is known as Zamuro, it is equal to the black bird that flutters around a corpse to satisfy its hunger. There is a jocular saying in Maracaibo state Zulia that says : . boy you are saltier than a Zamuro, or it is also said that : What a gizzard boy, you are more bad people than a Zamuro, you eat from all over the world but from you no one eats hahaha.
