## INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

segundo vereau has contributed to the dictionary with 2 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

**abijira**

Natural indigenous people of Brazil, already disappeared, of undesid linguistic affiliation, which settled in the Curaray Basin, tributary of The Napo by its left bank, in Lake Vacacocha, which is why they are also named Vacacocha, Avijira, Awishira, Abira and others.

**hidrobiológico, ca**

They are organisms that live at sea, including fish, molluscs, crustaceans, echinoderms, algae, mosses and cetaceans. These are caught on boats by fishermen, who exploit and market them, to be industrialized and also serve as food for human consumption,
