grenchacha

The word grenchacha comes from the Spanish word to describe tight curly hair as in Afro-hair; I suspect that there was a racist background for the use of grencho or grenchacha early on but it has since evolved in El Salvador to describe an uneducated or uncultured idiot but it is also used with humor to describe an ignorant or tacky friend. So do not be alarmed if someone you are fond of calls you a grencho or grenchacha. I routinely call my sister grenchacha even though I love her dearly.
