

SPANISH DICTIONARY

Wladimir Andrianoff

INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Wladimir Andrianoff has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

amp.wordmeaning.org

elicitation

Elicitación in computer science es: 1.-the transfer in fluent information of a program to another without difficulty.

Example: When we move information from Excel to Word, can be a graphic or information escrita.2.-when that information that is flowing between the programs can see and share with our contacts in fluently without interruptions can say that we are elicitando the information.
