**sarco**

It is a radical element that comes to us from the Greek and is used in compound words, such as sarcophagus, sarcophile. and what they say in the savior is a common word of theirs as a meaning. an example is like me saying in my country Ecuador means that it is a graminia for consumption and in another country like Spain it means vagina. but the meaning itself is a radical element that comes to us from the Greek and is used in compound words, such as sarcophagus, sarcophile.
