### **criatura abortiva**

Is meant by abortive creature that does not meet the circumstances that article 30 of the Spanish Civil Code establishes: "Personality is acquired at the time of birth with life, once produced the entire detachment of the womb ". Therefore, we are facing human creatures do not owed, still in the womb, and therefore without legal personality yet. Should not be confused with the concepts of unborn child ( article 29 CC ) or with the concepturus ( technical designation that expresses the idea of the possibility of the birth of a person who is not yet conceived at the time of the legal act that occurs in the case of his birth; for example: can leave you a legacy ).
