INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

newmar has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

dique flotante

It consists of beaching boats for their respective repair. This single activity is possible via the floating dock, which is a structure capable of submerging flooding their tanks synchronously. Once submerged, you enter a ship to then support it on a provision of previously prepared blocks for their stranded, then the structure emerges alongside the stranded ship, reducing the water from the flooded tanks.
