INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

pedro echarte has contributed to the dictionary with 2 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

bihunu

Bije (do "Animals with tails "?) is the name that refers to ten demons or Yima (ghost, apparition?) in the manga and anime of Naruto. Each of these creatures has a different number of tails, in direct relation with its power, which also serves to give name, it should not be confused with the monsters Kaiju, referring to strange monsters as referred to them in Japanese mythology, because unlike these, the Yima are demons supernatural creatures. In the movie (Naruto Shippuden: Kizuna) appears another Bije called reibi (zero queue) leech-shaped. However this does not has not separated from the Yuri.

capucilla
