chucua

Is chucua a word of origin Chibcha - "?muisca? " and has the meaning of place of water, fishery. I.e. that he is associated with a place of living water. a place of life that has been placed by the meaning that lies in the dictionary open as quagmire. This meaning is not correct. The original meaning it should rescue since that in different places of the city and the Sabana de Bogotá, is associated with this term " chucua " with its indigenous original idea. Thanks for the attention

matamaleza

It refers to substances used to dispose of plants that are considered undesirable for crops or paddocks. They can be substances of natural origin or result of chemical processes in laboratories. Thus, it is a double error : on the one hand, it should be considered that there are weeds, that is, unwanted plants and on the other hand, it should be considered that they should be killed.
