

# SPANISH DICTIONARY

Luis Aguilera Chacón

## INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Luis Aguilera Chacón has contributed to the dictionary with 16 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

[amp.wordmeaning.org](http://amp.wordmeaning.org)

**amorcillo**

Figure of child depicting Cupid, mythological God of love.

**calvin**

Name of person in England or the United States. Sometimes, it is a surname.

**chagüite**

1 Muddy place. 2. Ground bass which remains stagnant water. 3. Place planted of clumps of banana. 4 Synonym of banana mata

**externar**

Express is used as a verb by popular custom. This is means that external has done something that was internal. The right thing is to use the following verbs, as the case may be: outsource, outsource, express, expose, express, remove. It can be used to say the opposite: enter, enter, enter.

**independizacion**

Act of separation, fractionation or legal breakup of a portion of a field or property.

**litosfera**

The lithosphere or lithosphere, from the Greek area, and stone is the solid surface layer of the Earth, characterized by its rigidity.

**lípid**

Organic molecule composed primarily of carbon, hydrogen and oxygen, insoluble in water. Popularly and incorrectly used to call the fat of the body or animals as well. Lipids fulfil different functions in living organisms, including energy reserve. Also for the development of the gray matter, metabolism and growth.

**menjurje**

The correct word is mixture. Popularly say menjurge which is probably so we hear from our grandparents and thus became the popular spoken.

**ninive**

It is poorly written. The correct word is Nineveh, which was the capital of ancient Assyria, is located on the left bank of the Tigris River from the current Mosul, Iraq.

**palo a pique**

Venezuelan cuisine based on beans and rice and other vegetable aggregates and condiments. There are variations depending on the area in which you can add studs meat or chicken.

**peyote**

Cactus which produces hallucinations due to its content of mescaline, very used by the indigenous Mexicans from the North, to ritual and medicinal uses.

**prejuicio**

Factor affecting prior to knowledge of the facts.

**referido**

Mentioned, popular word rather than referenced, who is the subject of the action's reference which means mention, report, recommend.

**tangible**

It is poorly written. Correctness is tangible.

**traducir helmet**

helmet ( English ) = 40 helmet; in Spanish, )

**traspolar**

Traspolar does not exist in Spanish. I think that the correct word is trans-polar. TRANS-Polar is the adjective that is given to a path that passes by or near a polo ground. However, I think that traspolar, in this case, refers to something else, is refiere to a popular way of saying extrapolated, that means using something known as a as element to explain something.
