

SPANISH DICTIONARY

Anónimo

INTRODUCTION

amp.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Anónimo has contributed to the dictionary with 7 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

amp.wordmeaning.org

malware

malware is incorrectly written, and should be written as "malware, English International." being its meaning:
Computer virus that goes into the computer with great ease; for example when opening a mail of unknown origin, to download a movie, or information of any kind. Clean your computer is no easy task; the national police has cleaning programs for some of them, but unfortunately, they are in constant renewal.

metroespiritual

Like the term "metrosexual", but in another linguistic area, metroespiritual indicates an excessive interest in achieve optimal spiritual dimension, a State of perfection of spirit maximum and not within the reach of everyone. It would establish a comparison, the mystical state that reached spirits (conscience) as St. Teresa of Jesus or Fray Luis de León.

ransomware

Ransomware is incorrectly written and should be written as "ransomware, English International." being its meaning:
Computer virus of high danger that less than two days ago endangered a lot of systems of countries of first level: Great Britain (infected health system), Russia (especially on the network of railways, Spain (Telefónica had to stop working at Headquarters), France and even America.) Encrypt documents, demanding to rid them 300 dollars, payable in 3 days, if the required amount of that time becomes twice and said that if they spend 18 days everything live on a computer is unrecoverable.

satisficiera

It satisfied is the first or third person of the imperfect of the verb subjunctive meet, conjugable how to do, this is a verb that could be called polirizo (roots), see e.g. meet, it meets, met, satisficier, uninstall imperative 8). Its composition on the verb can be seen clearly do (lat. facere).
